RE: Freedom of Information Act Request  
FOIA Control No.: 18-FI-HQ-00218

Dear Mr. Evers:

This letter is the second interim response to your Freedom of Information Act (FOIA) request dated and received on November 2, 2017. The FOIA request is currently the subject of litigation you filed in U.S. District Court for the District of Columbia, *American Oversight v. U.S. Department of Commerce, et al.*, Civil Action No. 18-0534. You asked for copies of all calendars or calendar entries for any of the following individuals employed by the Department of Housing and Urban Development between the date of January 20, 2017, to the date a search is conducted, including any calendars maintained on behalf of these individuals (e.g., by an administrative assistant or a scheduler):

1. Secretary Ben Carson.
2. Pamela Hughes Patenaude, Deputy Secretary.
3. Sheila Greenwood, former Chief of Staff.
4. Deana Bass, former Deputy Chief of Staff.
5. Calendars maintained for the Secretary's Conference Room.
6. Calendars maintained for the Deputy Secretary's Conference Room.

Your request is granted in part. In a letter dated August 10, 2018, you were informed the Department had processed 647 pages of the search results for this request. The Department has processed 1,016 additional pages of the search results for this second interim release and is releasing 1,014 pages at this time. This release includes the calendar entries of Secretary Carson and Alexander Stowe, Special Assistant in the Office of the Secretary. Two pages of Stowe's calendar are still under review. The Department is withholding access codes, cell phone numbers, personal appointments (medical), personal events (weddings, baptisms, dinners with friends), homeowner and family member names, birthdates, home addresses, frequent flyer numbers, and personal email addresses under Exemption 6 of the FOIA, because release of such information would constitute an unwarranted invasion of personal privacy. The interest of the general public in reviewing these portions of government documents does not outweigh the individuals' right to privacy. The Department is also withholding portions of calendar entries under Exemption 5 of the FOIA. Exemption 5 protects documents that are inter-agency or intra-

agency, which would not be available by law to a party other than an agency in litigation with HUD, and are exempt from disclosure. The release of this internal information would reflect HUD's pre-decisional, deliberative process, and would discourage open and candid advice, recommendations, and exchanges of views within the Department, which could bring about public scrutiny of the individuals and the need to justify in public their tentative opinions.

The Department is still reviewing records that may be responsive to your request and plans to make rolling releases on a monthly basis until completed. A final response letter will be sent to you at the completion of the review process.

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6.

If you have any questions regarding your request, you may contact Eugene McGirt at (202) 402-4315. Thank you for your interest in the Department's programs and policies.

Sincerely,

*Deborah R. Snowden*

All,

Paula asked that we meet tomorrow to discuss today's incident, notifications, and next steps. There were concerns raised by PA, COO, ELR, and the Deputy Secretary. David Eagles asked that this also be addressed with the Deputy Secretary at this Friday's briefing on evacuation. The concern was the amount of time it took to make employees and leadership aware of the incident, what was happening, and ensuring safety.

This is the start of weekly meetings to plan for the overall evacuation drill, which Janet has indicated should be held no later than the first week of November.

Agenda:

1. What happened
2. Notifications and process to respond to fire alarm (i.e., who is notified when and how quickly)
3. Next steps and prep to brief Deputy Secretary

To Whom it May Concern:

My name is (b)(6), and I am a senior at (b)(6). I am majoring in biomedical engineering and am a part of the honors program. As an honors student, I chose to take a leadership course that is part of a list of classes I am required to take. One of the projects that we are asked to complete is to conduct an interview on leadership with someone that you admire. The leadership that Dr. Carson displays and has embodied is something that I truly admire.

It is my passion and desire to go to medical school and become a surgeon; and so, being able to get even 30 minutes of insight from Dr. Carson would be invaluable. I am hoping to use this project as a spring board into my life as a medical student and to deepen my passion and love for the medical field.

I have filled out and attached the event request form to this email.

Thank you for your time.

Much Thanks,

(b)(6)

Dear Ben,

It was great chatting with you today. As I mentioned, I'm a HUD colleague (Deputy Assistant Secretary-Chief Management Officer). I'm currently on loan to the Combined Federal Campaign (CFC) on behalf of HUD and Secretary Carson, this year's CFC Honorary Chairperson, to help ensure the Campaign's success, about which the Secretary is very passionate. You can reach me at either this CFC email address or my HUD email address (cc'd above). My HUD mobile phone is 202-255-4730 and my CFC office phone is 202-465-7235.

Thanks so much for agreeing to collaborate with CFC and me to coordinate the Secretary's schedule with individual government agency CFC Campaign events!

Attached are 1) the September 26 CFC Leadership Conference announcement; 2) a list of all the key dates across the entire CFC fundraising campaign, including a list of scheduled "Causes of the Week;" and 3) a copy of the letter inviting the Secretary to be the CFC Honorary Chairperson.

Thanks for the list of good dates in October and for offering to reserve other dates for us. We will definitely focus agencies on the week of October 9th for kick-off events (especially the 10th and 13th), as well as October 26th for other follow-on events. We'll

let you know as soon as we get confirmed requests for the Secretary's appearance. For planning purposes, a drop-in appearance (10 to 20 or 30 minutes) and short remarks (5 to 10 minutes) at individual events would be adequate. Of course, agencies would welcome whatever time they can get, but the most important thing is to get the Secretary in front of as many agencies as possible. To that end, we are encouraging joint events to make the best use of his limited time.

One additional special request is for the Secretary to stop by the CFC offices (17th & H, NW) briefly to meet and greet the HQ Campaign team when he is planning to be in the neighborhood - for White House or OMB meetings, for example. It would be a huge boost to the team. Just let me know if you think that might be possible when he is in town in early October and I'll coordinate everything with you.

As for agency-specific Campaign kick-offs, so far, I can tell you that there are dates and times already planned by some of the larger agencies as follows. If there is any chance that the Secretary can make an appearance and speak at any of these it would be fabulous. Just let me know his specific time availability and I will put you in touch with the specific agency Campaign Manager and CFC Loaned Executive for the agency.

- \* September 27 - HHS/NIH at NIH main campus in Bethesda, 11:00 am - 1:00 pm
- \* October 3, 2017 - USPS-HQ, 470 L'Enfant Plaza, SW time TBD
- \* October 5, 2017 - DOT, 1200 New Jersey Ave SE, 10:00 am - 2:00 pm
- \* November 2 - Commerce HQ, 1401 Constitution Ave, NW, 10:00 am - 12:00 pm
- \* November 6 - NSF, 2415 Eisenhower Ave., Alexandria, VA, time TBD

As for other important dates for us, they are as follows:

- \* September 25, 2017 - CFC Leadership Conference (9:00 am -10:00 am)
- \* November 2, 2017 - Show Some Love Day to showcase charitable causes (The Campaign theme is "Show some Love")
- \* November 28, 2017 - Giving Tuesday
- \* December 5, 2017 - International Giving Day

Finally, we understand that the Secretary is interested in possibly participating in a CFC volunteer activity. If you could let me know of particular causes or charities that he cares most about, we can identify some scheduled CFC volunteer events for his consideration.

Many thanks for your help Ben! I very much look forward to collaborating with you and to meeting you at next week's HUD Town Hall or before.

Best regards,  
Nancy

Dear Secretary Carson,

On the behalf of the Office of American Innovation, I would like to invite you to the White House to discuss the crucial topic of a comprehensive approach to prison reentry. We are gathering leaders from various fields with expertise in mentoring, training, rehabilitating, and other reentry needs to address the critical issue of reentry.

Please RSVP to Quellie Moorhead (CC'd) to confirm if you are able to join this important meeting on Thursday, September 14th from 1:00 PM - 3:00 PM. Quellie will send out further instructions closer to the event.

Attached you will find a document that was sent out to participants requesting information about their organization and programs. This exercise was optional but gives a sense of what will be discussed at the meeting. Please let us know if you have any further questions.

Jared Kushner and I look forward to working with you to solve this complex problem.

Yours truly,  
Reed Cordish

The Management Development Program (MDP) facilitates HUD's succession planning efforts by preparing the Office of Housing employees for assumption of future leadership opportunities through a cadre of core and technical training in various areas of skill. Successful completion of the program will provide for a management candidate pool of individuals to serve in leadership positions throughout the Office of Housing.

We would be thrilled if Dr. Carson could come down for a couple of minutes to say congratulations to the 25 participants who were selected to the program, many of whom are field employees and don't get this experience often.

We will be in auditorium C for the rest of the week.

As you know, Family Promise of St. Tammany Parish is an interfaith group of churches and organizations that strive to lead homeless children and their families from homeless to self sufficient. We achieve this through our case management and referrals to outside agencies and organizations. Upon graduation from the program, the families are surrounded by an extensive support and resource network to ensure they maintain permanent and stable housing. Since the doors opened in May 2015 Family Promise St. Tammany Parish has provided services to 32 families. The families are comprised of 129 people with 79 of those being children. Over 7,000 nights of shelter, 21,000 meals and countless miles of local transportation have been provided. Family Promise is proud to say of the families assisted, over 80% are still stably housed in permanent and sustainable housing.

Subject: RE: Encouragement for Today  
Greetings Ben,

One of the strong impressions I have felt recently is that our church must do a better job in supporting those in high profile positions whose public life is under microscopic scrutiny daily. I can be available on any of the following dates that may fit your schedule to meet in Washington. August 28,29 or 30, September 11,12 or October 18,19 could work for me. Just let me know and I will look forward to meeting and praying together. I appreciate the sacred trust God has given you and am confident that you are in a place of unusual opportunity to make a difference for Christ's kingdom.

May your week be filled with heaven's blessings,

Mark

Allie will dial in the conference line.

Topics: The Hollander Ridge project, a part of the Thompson Settlement Agreement ("TSA"), will result in approximately 90 units of new, deeply affordable family housing in areas of opportunity throughout the city. For this project to move forward we need to begin site acquisition by August 15.

\* HABC, HUD and the City are all defendants in the litigation and have been working on amendments to the TSA necessary to make this work.

\* It is absolutely imperative that we receive HUD approval (likely they just need to complete their process) for the development proposal, the amendment to the TSA and the pre development budget by August 15 at the very latest. If that doesn't happen we will not be able to meet a critical deadline set in the amendment to the TSA (to acquire 10 units by year end).

- \* If we don't meet this deadline HABC will be required to pay 7.1 million dollars to the Thompson plaintiffs over the next several years and perhaps more importantly we risk the loss of \$18.8 million in HOPE VI funds awarded to Baltimore in 1996.

Topic: my book has an underlying Christian theme. I'm telling the stories of American heroes who incurred tragedy but overcame through faith in God -- a mother who lost her son and husband to terrorism,

a wife who lost her husband on a VA waitlist and many others. Though their ultimate hope is in their faith, they turned out to support the powerful grassroots movement fueled by President Trump and allies like Secretary Carson.

I would just want to talk briefly with the Secretary about the role his faith played during the campaign and hear about some of the men and women he met along the way.

Subject: Request from Secretary Price

Hey Sheila- Hope you are doing well. I am forwarding a letter that was sent last month from my boss to Secretary Carson relating to a commission on serious mental illness which was established under the 21st Century Cures Act passed late last year. Cures requires the HUD's participation. The Secretary's letter requests HUD to designate the official that will participate in Commission meetings. We anticipate that the first meeting of the Commission will take place in August. Secretary Price would greatly appreciate Secretary Carson's participation in at least the inaugural kickoff meeting. Let me know if you need any additional

information. You can send the Secretary's response directly to Mary Sumpter whom I have copied on this email.

Secretary Kelly, as the principal federal official for domestic incident management, invites your Department or Agency head to participate in a Federal Emergency Management Agency (FEMA) led Hurricane Season Preparedness seminar and exercise. The exercise will be held on June 12, 2017 from 2:00pm to 3:30pm at FEMA's National Response Coordination Center (NRCC) in Washington, DC. A

formal invitation and exercise package with the necessary logistics and prep materials will follow in the next few days. The full list of invited agencies and entities is provided at the bottom of this email.

Your Department has responsibilities under Federal response doctrine and articulated further in the National Response Framework (NRF) during a declared disaster or other major emergency. It is important that you understand your Department's roles and we hope that your principal can participate. DHS and FEMA have designed the seminar as a no fault, learning experience presented in a "table top exercise" format.

Background: Your Department or Agency is designated as an NRF Emergency Support Function (ESF) Coordinator, Primary, or Support Agency. ESFs are the functions needed to provide Federal support for disasters and emergencies and designate the following member roles:

- ESG Coordinating Agency - responsible for managing a particular ESF.
- ESF Primary Agency - providing significant authorities, roles, resources or capabilities for a particular function within an ESF.
- ESF Support Agency - providing specific capabilities or resources that support the primary agency in executing an ESF.

Please note that an agency may be a Coordinator, Primary Agency, or Supporting Agency for more than one ESF.

Seminar Logistics:

- RSVP: Please RSVP to Chad Gorman, Director of the FEMA National Exercise Division at (202) 646-4683 or via email at [nep@fema.dhs.gov](mailto:nep@fema.dhs.gov) <<mailto:nep@fema.dhs.gov>> by May 26, 2017.
- Location: National Response Coordination Center, FEMA Headquarters, 500 C St., SW, Washington, DC 20472
- Date and Time: June 12, 2017, 2:00 PM to 3:30PM.

If you have any questions, please don't hesitate to contact me.

Thank you,

Kirstjen Nielsen

This is a come and go steak reception where all 14 Members of Congress from Iowa, Nebraska, and South Dakota are invited. We will have 65 attendees in our delegation too - all from those three states.

We are hopeful that the Secretary could address the group for a few minutes if possible.

I will be your contact. My cell is 712.490.3278. I will arrive in DC on Monday, May 1st.

Please let me know if you need anything else.

I am so looking forward to meeting the Secretary.

SOHUD will drop by

"Former Congressman Bob Livingston would like to request an appointment with Secretary Carson. Bob would like to bring Al Faber, President and CEO of the Baldrige Foundation, and Molly Baldrige, daughter of former Commerce Secretary Malcolm Baldrige, by to see Secretary Carson as soon as his schedule will allow. They won't need more than 15 minutes of his time.

The Baldrige Program, an office within the National Institute of Standards and Technology (NIST) has been successful since its inception in 1987. Since Fiscal Year 2012, the private Baldrige Foundation has paid salaries and expenses for employees and program operations at NIST from its own foundation assets.

Baldrige drives growth in business and manufacturing resulting in more jobs, sets standards to improve cost and quality of healthcare in the US, and is driving improvements in efficiency and student performance in our schools and higher education. Additionally, the Baldrige Program is working with the private sector to develop the Baldrige Cybersecurity Excellence Framework. This framework will build on the world-class NIST Cybersecurity Framework to develop a program that will identify and share best practices to strengthen America's cybersecurity infrastructure. This initiative also has the support of cybersecurity industry leaders from across the country. In order to ensure the continuation of the Baldrige Performance Excellence Program, the program needs FY 2018 federal funding restored in the federal budget. It is a small funding request with enormous impact across the nation, and in every sector of the economy. It will also provide funding for the much needed Baldrige Cybersecurity Excellence Framework and Community of Excellence initiative."

Staffing - William Russell  
National Low Income Housing Coalition (NLIHC)

Focus of Coalition: housing for those with the lowest income  
(extremely low-income)

Membership: comprised of public housing residents, some housing  
authorities, advocacy groups, state housing coalitions, etc.

Event: Annual Housing Policy Forum

Location: Washington Court Hotel

Date & time: Monday, April 3, Secretary Carson is expected to speak  
at noon

Audience: 300+ public housing residents, housing advocates, PHA  
staff, etc

SOHUD expected to give remarks for 15-20 minutes and likely get a  
couple of questions from Diane Yentel (reviewed before-hand)

Background:

- \* Diane Yentel (see more below) is the President & CEO and was quite helpful toward Secretary Carson going through confirmation
- \* NLIHC and its members are upset about the HUD 2018 budget; find the cuts "unconscionable"
- \* They are eager to find out how the Secretary's positive statements during confirmation square with deep budget cuts proposed by Admin
- \* One of their top priorities each year is Section 3 (I recommend Secretary Carson reference the program but not stake out any specific policy commitments)
- \* They are staunch supporters of the National Housing Trust Fund (here is a PDF primer on what this program is:  
[http://nlihc.org/sites/default/files/NHTF\\_FAQ.pdf](http://nlihc.org/sites/default/files/NHTF_FAQ.pdf))

Hello all -

Thanks for all your work thus far to brief the Beach Head Team on key issues and regulations. Office Presentations are now scheduled for the next two weeks with Secretary Carson.

Logistics: All meetings will be in the Secretary's Conference Room, Room 10233. They will last 1-2 hours - because they are scheduled tightly, please arrive a few minutes early and be ready to present on time.

Presentations: These briefings will be done electronically. By 1:00pm the afternoon before your presentation, please send your completed PPT to Anne Gribbin, Sheila Greenwood, Maren Kasper, Craig, and myself and cc: DeShaunta Franklin and Tanya Daggett. If your presentation is on a Monday, please send your presentation no later than 2:00 PM on the Friday before the weekend. Please bring up to (4) staffers you believe to be crucial to the content of the presentation or ability to answer questions. Also, please have print-outs available in case we experience technological difficulties.

Areas of focus: As indicated in the template (re-attached here), the goals of these presentations are to deliver key information to Secretary Carson and allow him and key staff to answer questions about your offices. Please plan your presentation to ensure that you address everything in the template, including any Items Requiring Immediate Attention.

I welcome questions - and appreciate your ongoing support.

Thank You!

Janet

Thank you all for joining the call. The final agenda that we will  
discuss is below here:

The purpose of the call is to advise as to:

1. The greatest risks to homeowners and renters and what immediate  
steps need to be done.

2. How to assess damage risk to housing stock both rental and owned on the Island to support and add any clarity to all of the other data gathering taking place from others agencies.
3. The most severe locations and issues in Puerto Rico.
4. Any on island options for temporary relocation that are vacant and have a form a power.
5. Other feedback from the team of bankers and mortgage bankers on the ground in PR.

PLEASE BE ADVISED: THIS COMMUNICATION NEEDS TO REMAIN CONFIDENTIAL FOR THE TIME BEING. THIS IS ABOUT ASSESSING AND RESPONDING. We know FEMA and the Governors offices are engaged so this would be a support effort related to housing, data assessment, recommendations.

As we move to the recovery phase for Hurricanes Harvey and Irma and the unique nature of issues with Maria, we will transition time away from field updates and focus on policy developments for the Tuesday meeting. The DMG Recovery meeting will be held for one hour at 09:30am EST on Tuesday mornings for principals +1. The intent is to brief the Deputy Secretary and each other on any new policies being implemented, updates to policies already implemented, and deconfliction of impact on other programs. Any documents, charts, graphs, or information that will be briefed should be sent to the DMG Director's Chief of Staff (Kate van Dam) one day prior to the meeting. She will be responsible for posting information on the calendar for all members to access. After the meeting, minutes will be distributed to ensure any follow-ups are accounted for the following week's meetings. We will continue to hold a Department wide meeting on Mondays and Wednesdays to get response updates on Maria and the California Wildfires.

Thank you in advance for your support and collaboration.

Subject: HUD International Engagement Policy

Pam, David, Sheila, and Andrew

I need to know (1) what our general policy should be for international engagement; and (2) who should be the "decider" in respect to HUD staff overseas travel.

#### Current Policy

Cindy Campbell in IPI has been implementing our international engagements in a "business as usual" style. That is, the State Department requests that HUD attend an international meeting to discuss Housing or Urban Development issues and we send someone. Normal course of business would be HUD sends an Assistant Secretary with support from IPI. HUD's role is to provide and receive information. There is no obligation beyond that. There is a cost - for travel and the time of the staff people who attend. There can be a benefit to HUD in terms of things we learn from other countries. We gained a good deal of knowledge from the Netherlands when thinking about building more flood smart infrastructure post-Sandy. Similarly, Chile created a housing voucher program after visiting with HUD staff to discuss our program. We currently have a good conversation with Japan on aging in place. We might gain from discussions with other countries on their shallow subsidy rent support programs. Perhaps there is something to be learned to support our housing finance reform conversations.

#### Planned Events and questions.

1. For an October 16th meeting with senior ministry officials of Israel at the State Department, Neal Rackleff in CPD is attending on HUD's behalf.
2. The World Urban Forum is February 8-13, 2018 in Kuala Lumpur, Malaysia. Past policy would have the Secretary (or Deputy Secretary) attend as the US representative to this international meeting on urban issues held every two years. Do we want to continue with that policy?
3. The United Nations Economic Commission for Europe (UNECE) is meeting on housing and land administration annual meeting in Geneva, Switzerland November 7-10, 2017. Past Policy would send an Assistant Secretary. We are currently proposing that I attend. Do we want me to attend, do we send someone else, or do we inform State Department we will not be attending?

4. There is an OECD meeting on Urban Policy December 5-8, 2017 in Paris, France. Past Policy would send an Assistant Secretary with IPI support. Do we want to send someone? Who? Or do we inform State Department we will not be attending?
5. The Secretary is traveling to the US-Japan Aging forum in Tokyo, Japan December 2-9, 2017. Does the Secretary want IPI staff support at this meeting? If so, is Cindy Campbell approved to attend?

Thanks,

I will be sending an invite for tomorrow that hopefully we can get decisions on all of these events and more broadly establish our going forward policy on international engagement.

Thanks,

Todd

Subject: Fwd: 2017-KC-0008 GNMA Nonbank Oversight Final Audit Report

Pam and Beth -  
Apologies for not including you on the email below. For your awareness, the attached is an OIG audit regarding the increased presence and Ginnie Mae's oversight of non-bank issuers/servicers.

Pam - this topic is something to add to our list of items to discuss when we provide you with a Ginnie Mae briefing. As mentioned below, not many surprises in the report and something that is already top of mind for the agency.

Beth - The topic of the report is somewhat relevant for our DoJ meeting on Monday, but much of this is captured in the slides we sent to Dana.

Thanks,  
Maren

Hi All,

Want to make you aware of an audit that will be published on the OIG website in the coming days. Not much in the report comes as a surprise. Rather, we think it continues a dialogue that we have a regular basis regarding the shift from banks to non-banks. We are in agreement in that our oversight and risk management can continue to evolve to address the shift in counterparties, and it is important to note, these are already areas of focus for GNMA.

Once we put together our corrective actions for OIG, we will share our plan to address findings with the team.

Thanks,  
Maren

FYI- as this will get posted to OIG's website. Not sure who else in Ginnie Mae we need to include (communications?).

My team will work with Michael Drayne's group to provide the corrective action plans to OIG.

Thanks

Subject: Fwd: 2017-KC-0008 GNMA Nonbank Oversight Final Audit Report

Pam and Beth -

Apologies for not including you on the email below. For your awareness, the attached is an OIG audit regarding the increased presence and Ginnie Mae's oversight of non-bank issuers/servicers.

Pam - this topic is something to add to our list of items to discuss when we provide you with a Ginnie Mae briefing. As mentioned below, not many surprises in the report and something that is already top of mind for the agency.

Beth - The topic of the report is somewhat relevant for our DoJ meeting on Monday, but much of this is captured in the slides we sent to Dana.

Thanks,

Maren

Hi All,

Want to make you aware of an audit that will be published on the OIG website in the coming days. Not much in the report comes as a surprise. Rather, we think it continues a dialogue that we have a regular basis regarding the shift from banks to non-banks. We are in agreement in that our oversight and risk management can continue to evolve to address the shift in counterparties, and it is important to note, these are already areas of focus for GNMA.

Once we put together our corrective actions for OIG, we will share our plan to address findings with the team.

Thanks,

Maren

FYI- as this will get posted to OIG's website. Not sure who else in Ginnie Mae we need to include (communications?).

My team will work with Michael Drayne's group to provide the corrective action plans to OIG.

Thanks

As we move to the recovery phase for Hurricanes Harvey and Irma and the unique nature of issues with Maria, we will transition time away from field updates and focus on policy developments for the Tuesday

meeting. The DMG Recovery meeting will be held for one hour at 1pm EST on Wednesday mornings for principals +1. The intent is to brief the Deputy Secretary and each other on any new policies being implemented, updates to policies already implemented, and deconfliction of impact on other programs. Any documents, charts, graphs, or information that will be briefed should be sent to the DMG Director's Chief of Staff (Kate van Dam) one day prior to the meeting. She will be responsible for posting information on the calendar for all members to access. After the meeting, minutes will be distributed to ensure any follow-ups are accounted for the following week's meetings. We will continue to hold a Department wide meeting on Mondays and Wednesdays to get response updates on Maria and the California Wildfires.

Thank you in advance for your support and collaboration.

Thank you all for joining the call. The final agenda that we will  
discuss is below here:

The purpose of the call is to advise as to:

1. The greatest risks to homeowners and renters and what immediate steps need to be done.
2. How to assess damage risk to housing stock both rental and owned on the Island to support and add any clarity to all of the other data gathering taking place from others agencies.
3. The most severe locations and issues in Puerto Rico.

4. Any on island options for temporary relocation that are vacant and have a form a power.
5. Other feedback from the team of bankers and mortgage bankers on the ground in PR.

PLEASE BE ADVISED: THIS COMMUNICATION NEEDS TO REMAIN CONFIDENTIAL FOR THE TIME BEING. THIS IS ABOUT ASSESSING AND RESPONDING. We know FEMA and the Governors offices are engaged so this would be a support effort related to housing, data assessment, recommendations.

As we move to the recovery phase for Hurricanes Harvey and Irma and the unique nature of issues with Maria, we will transition time away from field updates and focus on policy developments for the Tuesday meeting. The DMG Recovery meeting will be held for one hour at 1pm EST on Wednesday mornings for principals +1. The intent is to brief the Deputy Secretary and each other on any new policies being implemented, updates to policies already implemented, and deconfliction of impact on other programs. Any documents, charts, graphs, or information that will be briefed should be sent to the DMG Director's Chief of Staff (Kate van Dam) one day prior to the meeting. She will be responsible for posting information on the calendar for all members to access. After the meeting, minutes will be distributed to ensure any follow-ups are accounted for the following week's meetings. We will continue to hold a Department wide meeting on Mondays and Wednesdays to get response updates on Maria and the California Wildfires.

Thank you in advance for your support and collaboration.

As we move to the recovery phase for Hurricanes Harvey and Irma and the unique nature of issues with Maria, we will transition time away from field updates and focus on policy developments for the Tuesday meeting. The DMG Recovery meeting will be held for one hour at 09:30am EST on Tuesday mornings for principals +1. The intent is to brief the Deputy Secretary and each other on any new policies being implemented, updates to policies already implemented, and deconfliction of impact on other programs. Any documents, charts, graphs, or information that will be briefed should be sent to the DMG Director's Chief of Staff (Kate van Dam) one day prior to the meeting. She will be responsible for posting information on the calendar for all members to access. After the meeting, minutes will be distributed to ensure any follow-ups are accounted for the following week's meetings. We will continue to hold a Department wide meeting on Mondays and Wednesdays to get response updates on Maria and the California Wildfires.

Thank you in advance for your support and collaboration.

Good afternoon - We've discussed HUD's proposal internally and have some feedback/guidance. Could we set a time for a conference call sometime tomorrow? I've left Pam off of this email, for deference of her time - please feel free to decide if you'd like her (or anyone else) to join this call. Some openings are 12:30 to 2pm and after 4pm for us. Hopefully, we can squeeze 15-30 minutes somewhere in those time frames. Thank you!

Victoria

Thanks for the call today and the information that the Deputy Secretary wants a tour of our office and emergency information. I would recommend her coming down to our area Room 10251 and then a tour of the HUD Emergency Operations Center (HEOC) on the 6th floor. Rena Holland is in charge of that area and I CC'd her above. If there is an emergency like 9/11 the HEOC would be the primary poc for the Deputy Secretary. I am free most of next week, so whatever works with Rena and the Deputy Secretary is fine with me.

Thanks

Ken

Each of HUD's Senior Leaders has their own individual story of how they journeyed to become the leaders they are today. Some have travelled many miles, while others began their journey just down the street. Regardless, their journey has brought them to HUD to serve and lead us into the future.

Please join OCHCO for our next conversation in the Leadership Journey Series, when we talk with John Benison, Director, Office of Departmental Employment and Equal Opportunity, about his journey to become a HUD Leader.

All,

This is a recurring ethics training for on-boarding for non-career employees and any employees who may want an ethics refresher. We would like new employees to get this done as soon as possible, and for everyone to go to this briefing at least once every quarter. These meetings will take place every two weeks.

Thanks,

Andrew

Victoria

Thanks for the call today and the information that the Deputy Secretary wants a tour of our office and emergency information. I would recommend her coming down to our area Room 10251 and then a tour of the HUD Emergency Operations Center (HEOC) on the 6th floor. Rena Holland is in charge of that area and I CC'd her above. If there is an emergency like 9/11 the HEOC would be the primary poc

for the Deputy Secretary. I am free most of next week, so whatever works with Rena and the Deputy Secretary is fine with me.

Thanks

Ken

Subject: HUD International Engagement Policy

Pam, David, Sheila, and Andrew

I need to know (1) what our general policy should be for international engagement; and (2) who should be the "decider" in respect to HUD staff overseas travel.

#### Current Policy

Cindy Campbell in IPI has been implementing our international engagements in a "business as usual" style. That is, the State Department requests that HUD attend an international meeting to discuss Housing or Urban Development issues and we send someone. Normal course of business would be HUD sends an Assistant Secretary with support from IPI. HUD's role is to provide and receive information. There is no obligation beyond that. There is a cost - for travel and the time of the staff people who attend. There can be a benefit to HUD in terms of things we learn from other countries. We gained a good deal of knowledge from the Netherlands when thinking about building more flood smart infrastructure post-Sandy. Similarly, Chile created a housing voucher program after visiting with HUD staff to discuss our program. We currently have a good conversation with Japan on aging in place. We might gain from discussions with other countries on their shallow subsidy rent support programs. Perhaps there is something to be learned to support our housing finance reform conversations.

#### Planned Events and questions.

1. For an October 16th meeting with senior ministry officials of Israel at the State Department, Neal Rackleff in CPD is attending on HUD's behalf.
2. The World Urban Forum is February 8-13, 2018 in Kuala Lumpur, Malaysia. Past policy would have the Secretary (or Deputy Secretary) attend as the US representative to this international

meeting on urban issues held every two years. Do we want to continue with that policy?

3. The United Nations Economic Commission for Europe (UNECE) is meeting on housing and land administration annual meeting in Geneva, Switzerland November 7-10, 2017. Past Policy would send an Assistant Secretary. We are currently proposing that I attend. Do we want me to attend, do we send someone else, or do we inform State Department we will not be attending?
4. There is an OECD meeting on Urban Policy December 5-8, 2017 in Paris, France. Past Policy would send an Assistant Secretary with IPI support. Do we want to send someone? Who? Or do we inform State Department we will not be attending?
5. The Secretary is traveling to the US-Japan Aging forum in Tokyo, Japan December 2-9, 2017. Does the Secretary want IPI staff support at this meeting? If so, is Cindy Campbell approved to attend?

Thanks,

I will be sending an invite for tomorrow that hopefully we can get decisions on all of these events and more broadly establish our going forward policy on international engagement.

Thanks,

Todd

Victoria

Thanks for the call today and the information that the Deputy Secretary wants a tour of our office and emergency information. I would recommend her coming down to our area Room 10251 and then a tour of the HUD Emergency Operations Center (HEOC) on the 6th floor. Rena Holland is in charge of that area and I CC'd her above. If there is an emergency like 9/11 the HEOC would be the primary poc for the Deputy Secretary. I am free most of next week, so whatever works with Rena and the Deputy Secretary is fine with me.

Thanks

Subject: Fwd: 2017-KC-0008 GNMA Nonbank Oversight Final Audit Report

Pam and Beth -  
Apologies for not including you on the email below. For your awareness, the attached is an OIG audit regarding the increased presence and Ginnie Mae's oversight of non-bank issuers/servicers.

Pam - this topic is something to add to our list of items to discuss when we provide you with a Ginnie Mae briefing. As mentioned below, not many surprises in the report and something that is already top of mind for the agency.

Beth - The topic of the report is somewhat relevant for our DoJ meeting on Monday, but much of this is captured in the slides we sent to Dana.

Thanks,  
Maren

Begin forwarded message:

Hi All,

Want to make you aware of an audit that will be published on the OIG website in the coming days. Not much in the report comes as a surprise. Rather, we think it continues a dialogue that we have a regular basis regarding the shift from banks to non-banks. We are in agreement in that our oversight and risk management can continue to evolve to address the shift in counterparties, and it is important to note, these are already areas of focus for GNMA.

Once we put together our corrective actions for OIG, we will share our plan to address findings with the team.

Thanks,  
Maren

Subject: RE: HEADS UP - PIH Single Point of Contact

Good afternoon,

Towanda and I have spoken about this and wanted to let you know that occasionally you will be contacted about pending labor disputes. We highly recommend that you refrain from responding to the unions directly and that you direct any questions you may have about any pending labor relations issue to us.

The below issue stems from PIH's implementation of a "Single Point of Contact" model of business. The initiative is intended to enhance service delivery to the public by assigning duties differently within PIH. (b)(5)

(b)(5)

We are working with PIH management to ensure an implementation that is as smooth as possible, and we are prepared to defend the actions taken so far in any forum in which AFGE elects to appeal. We would be happy to provide any additional information you may want.

PIH Single Point of Contact

---

Brothers and Sisters,

Many of you have heard that Public Housing employees received notice of a meeting this Thursday, during which PIH employees will be briefed on the new "Single Point of Contact business model." Attached to the meeting notice is a new "training schedule" for the many new duties that will be assigned to PIH employees nationwide.

AFGE is in the middle of negotiations with management on this new initiative. A mediator has been called in to help the Agency and the Union work through their points of disagreement. Dates to continue this process were requested by the Union, with no response from management. Instead, management has decided to just move forward without addressing the employee concerns raised by the Union.

As many of you will soon find out, the "Single Point of Contact business model" means that PIH employees will be assigned multiple jobs. Management plans to expand job duties. Training for these new job duties will be truncated and inadequate, setting employees up for performance issues. For example, employees assigned to a new "Portfolio Management Specialist" position will receive two hours of training on compliance reviews, two hours of training of PHA budget analysis and two hours of training on grants management, to name a few.

This wide-scale reassignment of Public Housing personnel to new job duties and new position descriptions is ill-advised, poorly planned and directly contrary to the statements made by Chief Operating Officer David Eagles at today's Town Hall. When asked about reassignments, Mr. Eagles stated that he "couldn't answer the question" about reassignments, even though the Single Point of Contact roll-out meeting is scheduled for tomorrow.

This is what you can expect from the new "HUD Reform" effort. We expect to see more of this as HUD "Reform" progresses - more burdens being put on front line employees with no additional resources or training to perform newly assigned duties. Make no mistake, the Single Point of Contact initiative is setting employees up for failure. It can take months if not years to be trained in some of these new job functions. These are reassignments, plain and simple.

Management's refusal to honor its contractual and statutory obligation to negotiate is yet another example of what we have come to expect from OCHCO's "Employee and Labor Relations" Division - a refusal to acknowledge employee concerns and work to resolve them. You have seen over a half dozen "postings" over the past year and a half, notices posted on bulletin boards or sent by email containing management's acknowledgement that they will not violate the Federal Labor Relations Statute and will not refuse to bargain with the Union. And yet, they have again refused to negotiate a vital issue that will affect you as employees.

AFGE will be filing another Unfair Labor Practice charge on the Single Point of Contact initiative. I encourage all affected PIH employees to keep a record of how they are adversely impacted by the new Single Point of Contact model, as this information will be helpful in the Unfair Labor Charge proceedings

Janet - just a heads up Pam mentioned to us she'd like a wide briefing on Disaster. Funding/WH engagement/execution etc - the whole thing. Alex Stowe (cc'ed - her spec assistant) should be scheduling something soon. Can you verify the attendees once it is set up and let him know if anyone was missed that could give her the full picture? I'd suggest you lead the meeting in terms of what to cover, etc and we should do it when you are back in person next week.

Thank you.

It was a pleasure meeting you this morning. Welcome to HUD! I look forward to working with you. As the Director for HUD's Office of Small and Disadvantaged Business Utilization (OSDBU), I report

directly to the Deputy Secretary. Please let me know the Deputy Secretary's availability for a briefing on my office responsibilities. Would either Wednesday or Friday next week or Wednesday or Friday the following week work? I would need at least 30 minutes. Thanks very much.

Janet - just a heads up Pam mentioned to us she'd like a wide briefing on Disaster. Funding/WH engagement/execution etc - the whole thing. Alex Stowe (cc'ed - her spec assistant) should be scheduling something soon. Can you verify the attendees once it is set up and let him know if anyone was missed that could give her the full picture? I'd suggest you lead the meeting in terms of what to cover, etc and we should do it when you are back in person next week.

Thank you.

No problem...Stan and I already talked about giving her a full briefing upon my return. We already have a slide deck so we can just fine tune it.

Janet - just a heads up Pam mentioned to us she'd like a wide briefing on Disaster. Funding/WH engagement/execution etc - the whole thing. Alex Stowe (cc'ed - her spec assistant) should be scheduling something soon. Can you verify the attendees once it is set up and let him know if anyone was missed that could give her the full picture? I'd suggest you lead the meeting in terms of what to cover, etc and we should do it when you are back in person next week.

Thank you.

Alex - nice meeting you. I've CC'd Tanya but yes definitely I will make myself available when convenient for her.

830/1230/330 or after 5? Only real unmovable meeting is 10-1230 for OMB or 2-330 for the Champions Council.

Anything in there?
